**PERMIT APPLICATIONS FOR DIFFERENT CATEGORIES OF FILMING:**

**Please, contact us 30 days in advance to evaluate your project's needs, some historical places are subject to special authorization no matter what size the crew is**

(from one to ten workers with shoulder supported camera or camera tripod, no obstruction to vehicle traffic)

This category includes the following:

Students' workshops

Television reports using shoulder supported camera or tripod;

Photographic sessions for architectural purposes (surveys, research, study) with or without tripod (on location);

Photographic sessions, with or without tripod (on location)
